

# 2014 PRE-SESSION SURVEY RESULTS

1. Do you think schools should have the flexibility to hire professionals to teach even if they did not go through the traditional teacher training?

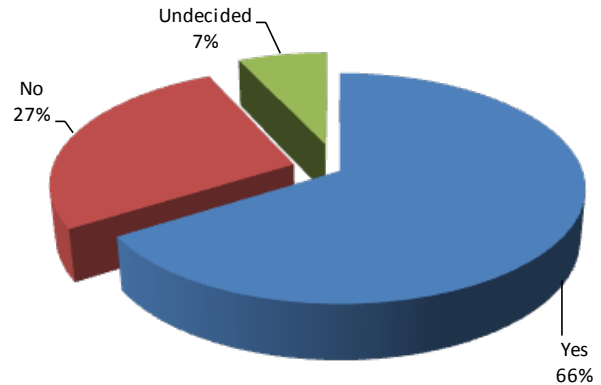

2. Do you support Indiana's participation in the Common Core State Standards Initiative for college preparation and career readiness?

3. Businesses are assessed personal property taxes similar to the way in which real property is taxed. Examples of business personal property include computers, office furniture, machinery and equipment. These taxes are collected at the local level and are used to help fund local governments. For some small businesses, the cost of administering the tax exceeds the amount of tax collected. Would you support giving local governments the option to completely exempt new equipment from the personal property tax in order to encourage investment and growth of small businesses?

4. Do you believe Indiana should require individuals applying for a carry permit to undergo a firearms training course?

5. Do you support state law enforcement agencies to work with federal authorities to enforce existing federal immigration laws within Indiana?

6. Do you believe the last year of high school should be spent earning college credits, training for a vocation or taking intensive remediation courses to become college or career ready?

7. Do you support allowing Hoosiers to vote on an amendment to the state constitution that would define marriage as a union between one man and one woman?

8. Do you believe that a driver's license, registration and insurance should be required of people who operate scooters on public roadways?

9. Do you believe Indiana, like some other states, should implement random drug testing as a requirement to receiving state-funded welfare benefits for TANF recipients?

10. Would you support a proposal that would require retail stores (such as big box stores) to place alcoholic beverages behind the counter?
