The Honorable Eric Holcomb  
Indiana Statehouse  
200 W Washington St., Room 333  
Indianapolis, IN 46204

August 10, 2016

Dear Lieutenant Governor Holcomb,

The 2016 Bicentennial Legislator's Day, held on July 31<sup>st</sup> at Camp Atterbury, was a rousing success that showcased Indiana's state-of-the art military facility for all who participated. The Indiana National Guard hosted this event for 175 legislators, local elected officials, and members of the community – and managed to do so perfectly. Attendees had the opportunity to tour the facility, experience a firing range, observe a SWAT door-breaching demonstration, and participate in military training exercises.

This event would not have been possible without the hard work, dedication and support from the following groups:

Indiana National Guard  
Johnson County Commissioners  
The National Guard Association of  
Indiana  
Patriot Products/Patriot Tactical  
Vista Outdoors  
Kiesler Police Supply

Glock  
Indiana National Rifle Association  
Monarch Beverage  
Johnson County Sheriff's Department  
Snyder's Catering  
R-ANAM

These organizations were instrumental in making sure the 2016 Bicentennial Legislator's Day at Camp Atterbury event was educational, safe, and enjoyable. I thank them for allowing us to experience this incredible facility in such a unique and special way.

Thank you for allowing Indiana to be a state where organizations like the National Guard can flourish and where citizens can experience such meaningful facilities such as Camp Atterbury. If you have any questions please do not hesitate to contact me at 317-695-1500.

Sincerely,

Woody Burton  
State Representative  
District 58
